Reach everyone, or just a few.

We will automatically show your ads to people who are most likely to find your ads relevant. We can further target your ad delivery with three audience selection tools.

Core Audiences

Define an audience based on criteria like age, interests, geography and more.

Custom Audiences

Get back in touch with people who have engaged with your business, online or off.

Lookalike Audiences

Reach new people whose interests are similar to those of your best customers.
